THE MRS. A'S STORY

Mrs A's Kitchen is decades in the making.

Born in **Bangladesh** and raised around home cooking, Mrs. A has always seen food as part of her **identity**. After moving to the UK in the **1980s** and raising her family in Salford, cooking remained at the heart of everything she did.

Mrs. A's Kitchen was created to serve **proper homemade Bengali food**, freshly prepared, full of flavour and made with the same care she would put into **feeding her own family**.

In a nutshell, **if we don't eat it, we don't serve it.**
